

# Haydn Andrews

Senior Wireless Engineer  
Monash University

**CWNE # 256**

## What is your level of industry experience?

10 years and 3 years as a WiFi expert.

## What are some highlights from your resume?

Multiple Certifications  
CCNP Route and Switch / Wireless  
CCDP  
CDNA Voice  
ITIL  
10 Years + experience in multiple verticals

## Where did you receive your training/education?

Self-study

## Why did you choose the CWNE path?

I wanted to expand my wireless knowledge without the vendor marketing side of the picture.

## What do you hope to accomplish?

To be recognized as a leading wireless engineer in Australia.

## Why did you choose CWNP and its certifications over other industry designations?

The vendor neutral aspect along with recommendations from CWNE's.

## What value will your CWNE provide to you, your clients, and/or your company?

It recognizes you as a leading expert in the wireless field.

## What would you say to anyone considering a CWNE designation?

Just do it. I learned more in CWNA than I did from CCNP Wireless.
